

Let us reflect on the renewal of this church building where we gather together as God's people to worship our Lord and Savior.

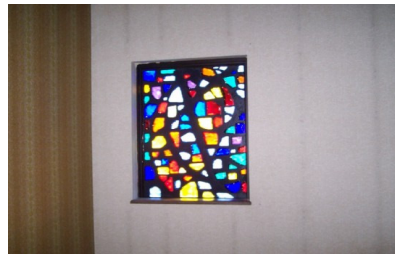

Let us be renewed as we reach out to all and share Christ's love and forgiveness through ministry and service.

## THANK YOU THANK YOU THANK YOU THANK YOU

We thank God for His blessings on this church and congregation. God has truly blessed St. Paul Lutheran Church with members willing to share their time, talents, and treasures.

The renovation project has been accomplished because of your generous pledges, donations, and willingness to volunteer your service.

We would like to name everyone who has donated and volunteered but the list would be long and we don't want to miss anyone. So many members helped in so many different ways.

We give thanks for all of you and applaud the effort you have put into making this renovation a reality. The renovation project speaks to just how much the members of St. Paul care about their church.

To God be the glory,

Renovation Committee

*A special "thank you" to Phyllis Hagemeyer, who went from volunteering to check on prices to being the "go to person" and ultimately the project manager, and to her willing and supportive co-manager, Karen Salmon. Your hard work and dedication have made this renovation possible.*

*A heartfelt "thank you" to Phyllis and Karen for all the time and effort you generously devoted to this project. You did a wonderful job and we greatly appreciate it!!*
