OUR FOCUS LIKE A GRAIN OF MUSTARD SEED Though much is made of the smallness of the mustard seed, the focus of Jesus is on outcome—the plant that becomes large enough to give nest and shade to all the birds of the air. The kingdom of God seems small and even irrelevant in the face of large problems, challenges, and problems of this mortal life, and yet it is the kingdom of God that is great. God gives to us the forgiveness that makes a clear conscience, the life that is stronger than death, and the joy that is greater than every joy this world can deliver. In this way, the small seed makes for a great plant, large enough for us to find refuge and a home in its shade. How the kingdom of God grows may seem part of the mystery, but we know that it is a seed planted in the good soil and fed and nourished by God’s grace to the day when the harvest delivers us into His presence forevermore.

WORSHIP Our sanctuary is open to sit anywhere you would like, there is social distancing still available in the chapel. We have Saturday night worship service at 6:00 PM and on Sunday 9:00AM We are hoping that everyone is starting to feel more comfortable with coming back to worship and getting back into the routine.

We do still have an FM Transmitter (FM 97.1) that enables you to park in the parking lot of the church and listen to the Worship Service. We also LIVE STREAM of Sunday Worship Service via Facebook St Paul Lutheran Church LCMS and will be available on St Paul Lutheran Church YouTube Channel when its uploaded there, and at 2:00PM Sunday on the local cable channel.
