About our Communion Practice

To our visitors and guests: In accordance with the apostolic command and in unity with the unbroken practice of the Church, St. Paul Lutheran practices Closed Communion. If you are not a member of a congregation in fellowship with the Lutheran Church-Missouri Synod we kindly ask you to refrain from communing. We do so not to offend you, but because the Scriptures clearly teach that those communing together be unified in their confession of the Faith. In this Sacrament we are not only joined to Christ our Head who is present in His body and blood but are also knit together with one another as His Body, in which there should be no division of belief. Should you have questions or concerns about this Biblical and historic doctrine, please speak with our pastor. If this is your first time communing at St. Paul Lutheran Church, please speak with our pastor before the service. If certain factors prohibit you from partaking in regular wine, a non-alcoholic option is available in the center circle of each tray. **If not communing but desiring to receive a blessing, please cross your arms over your chest when Pastor approaches.**
